We had nothing to do with its production and all rights belong to the original publisher and mangaka. If you somehow paid for this, then you've been royally screwed over. While this may be free, don't forget to support the mangaka in any way you can once his/her work becomes available for retail sale in your country/language! But don't forget, as much as we say support the mangaka, to support us at Starry Heaven too! A nice comment in our forum or chatbox is all it takes to make our day.
